

SUSTAINABLE BUSINESS ROUND TABLE (SBRT)

MARCATUS PEC CONTAINER FARM

We're proud to share that Marcatus QED has joined the Sustainable Business Roundtable (SBRT), an executive sustainability network founded by ESMT Berlin, one of Europe's leading business schools.

This membership reinforces our commitment to building more sustainable food value chains, exchanging knowledge, and advancing cross-industry collaboration for long-term impact.

- November 12, 2025 - AI and Sustainability
- June 17, 2026 - Rethinking resources: Securing sustainable access and use - Emmanuel speaker

Nearly 50 companies came together for a valuable cross-industry discussion. As an SBRT member, Marcatus QED brought the agriculture perspective to the table, highlighting real-world challenges and practical solutions related to Water, Soil health, and Labour shortages.
